- Current
 - Employment goals: Minority - 11% Female - 7%
 - We obtain written plans from companies that project employment of minorities and women
 - We collect monthly reports from companies on employment and EDGE contracts
 - We monitor compliance with Equal Opportunity Division and Turner Construction
 - We work with the National Center for Urban Solutions (NCUS) to manage employment and opportunities for disadvantaged small businesses
 1. Job seekers and disadvantaged businesses are encouraged to contact:
NCUS
899 E. Broad Street
Columbus, Ohio 43205
Tel: 614-754-7511
 2. NCUS provides essential skills training to prepare candidates for employment
 3. NCUS works with employers and Trade Unions to place candidates on jobs and training
 4. NCUS works with companies, OSU and Turner Construction to develop workforce plans for the Wexner Medical Center Expansion Project
 5. NCUS advises OSU, Turner Construction and Department of Administrative Services
