

Community Survey for the PACT Blueprint Draft Plan

CORE INITIATIVES	YES	NO	MAYBE	DON'T KNOW
1 People Do you support the recommended strategies for improving the health and wellness of Near East Side residents, with a focus on quality education, health literacy and access, and workforce-development and jobs initiatives ?				
2 Neighborhoods Do you support the recommended core development areas, with a focus on the primary corridors shared by all residents ?				
3 Housing Do you support the recommended housing strategies that propose multifamily and infill/rehabilitation projects on Taylor Avenue ; the redevelopment/partial rehabilitation of Poindexter Village ; infill housing initiatives throughout the planning area ; and housing developments along Mt. Vernon Avenue and Long Street to help create more vibrant neighborhood retail districts?				

I'm excited about these plan recommendations:

I'm concerned about these plan recommendations:
